### World Book Day 2024

All of the children looked fantastic in their outfits this year, they all made such an effort. Thank you to everyone who took part. We have posted some pictures up on our Facebook page.

### Stranger Danger

Please can you remind your children about stranger danger. There have been a few reports recently of a man acting suspiciously in the Stockwood area. If you see anything you are worried about, please report this to 101. Remind your children to never speak to strangers and to tell a trusted adult if they are concerned about something.

# Bristol SEND News for families

## Changes to top up funding

If your child has a Bristol Support plan or top-up funding, their support will be changing from September 2024. This is due to changes made by Bristol City Council. We will be arranging information sessions with families ASAP to explain these changes to you. Please join our [mailing list](#) for further information on these planned sessions.

## Phase transfers

If your child in Year 6 and has an EHCP, their secondary school should've been named in Section I of their Plan by Feb 15th. We held an info session on Feb 6th, to support families, but if you missed it, check the guide below.

## Neurodiversity health changes

The ICB is updating support for families referred to the Autism and ADHD pathways. Two projects are underway: a short-term interim model and a longer-term plan. The next conference for the long-term model is on March 7th, and we'll provide an update afterwards.
