What is Child Protection?

Child protection means making sure that all children are safe from harm. Every child has the right to feel happy, safe, and respected at school and at home.

We teach you how to recognise risks and how to stay safe.

We do our best to help you make good progress in your learning and to be happy.

How Will We Protect You?

Listen to you - Your worries matter to us.

Make sure you are safe - We will take action if needed.

Stop bullying & harm - Everyone deserves kindness.

Work with trusted adults - To keep you safe and supported.

Give you someone to talk to - You don't have to face problems alone

Who can you talk to?

If you are worried about something you can talk to an adult in school. This could be your teacher, TA, SMSA or any adult with in the school.

The designated Safeguarding Leads are:

Miss Craig, Mr Rylands and Mrs Sheldon.
